

RECORD OF PLANTING

INSTRUCTIONS:

- This Record of Planting should be completed to document the planting of all regulated plant material at a field trial site.
- Use the following two-letter codes to designate the destruction method for excess planting material:
DH - dry heat, SH - steam heat, BU – burning, DB - deep burial, CR – crushing, OT-other.
- Following completion of this record by the Trial In-charge, one copy should be forwarded to the Permitted Party. The original should be retained by the Trial In-charge and made available to regulatory officials upon request.
- In the event of an accidental release during planting, the Permitted Party should be notified immediately by telephone and facsimile.
